

Candidate Confirmation Commitment Response

I _____ want to learn more about what it means to be a confirmed, fully initiated Catholic.

I agree to be open to God's spirit, to listen attentively to the peers and leaders, and to be respectful of other's points of view.

I will actively participate in all aspects of the process: Small group sessions, Large group sessions, service projects, the Sponsor/Candidate Retreat, the Reconciliation Service, and the Confirmation Retreat, realizing that I get out of the experience what I am willing to put into it.

I promise to be respectful of myself, other candidates, peers, and adult leaders at all times, remembering that Christ is in every person that I meet. I promise to keep confidential what may be shared by other candidates during our time together.

I will choose a Sponsor who lives a Christian life whom I believe can help me with my own faith life. I am committed to meeting with my sponsor/mentor on a continuing basis and will be open to discussing my faith journey and questions that may arise.

While I am aware of the need to freely choose to be confirmed, I also realize that I may need extra encouragement from my parents/guardians to begin the preparation process. If I feel this is not the proper time for me to continue the Confirmation preparation process, after a reasonable discernment period, I will have the support of the Confirmation team in my decision.

I promise to be open to God's challenges and, with His help, to welcome His Holy Spirit more deeply into my life.
